For Use in Organic Gardening

Net Contents: 1 Gallon (128 FL OZ.)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read the entire label before using.

GENERAL INFORMATION

APPLICATION DIRECTIONS: AllDown is a fast-acting, non-selective contact herbicide for the elimination of broadleaf and grass weeds. Use on targeted weeds and grasses in flowerbeds; on targeted weeds and grasses in vegetable gardens; on targeted weeds and grasses around fruiting and non-fruiting trees, shrubs and vines; and on targeted weeds and grasses along fence lines, patios, driveways, sidewalks, and other similar areas where weed control is desired. Repeated applications may be required for larger perennial weeds or if re-growth occurs.

To prepare final spray solution, dilute one part ALLDown Concentrate with three parts water sufficient to treat at an application rate of 7.5-15 fl. oz./100 sq. ft. For larger annuals and burndown of perennial weeds, higher application rates may be required. To achieve higher application rates, mix 1 part AllDown Concentrate with 2 parts water. Apply spray solution by ground using equipment such as hand-held, back-pack, or tractor-mounted sprayer at a rate of 7.5-15 fl. oz./100 sq. ft. when skies are mostly sunny and no rainfall is predicted within 4-6 hours of application. Use the higher rate when weeds are dense or the foliage is heavy. Do not apply more frequently than every two weeks. Rain just after application will reduce product effectiveness. Apply when the air is calm and temperatures are 65-90° F. Best results are achieved from spring to early summer when young weeds are growing more actively, and on small weeds less than 3-5 inches high. Only contacted vegetation will be affected. For spot treating, apply to target vegetation in sufficient volume to thoroughly wet the leaves.

For control of larger annuals and burndown of perennial weed growth. Larger annual weeds and perennials are more difficult to control and may require re-treatment. Treat initially as directed above and repeat if new growth of leaves appears. Thorough coverage of all foliage is necessary to achieve desirable control.

Do not apply to desirable plants. Severe injury will occur to non-target plants if AllDown contacts the foliage of these plants. Do not apply to reactive metals such as aluminum, tin, iron, or items such as fencing or lawn furniture. If the product contacts these surfaces, staining, mottling, or other harm to the finishes or surfaces may occur. Do not use spray equipment with metal working parts such as metal spray lines or metal nozzles. Do not apply more frequently than every two weeks.

WEEDS CONTROLLED

ANNUAL BROADLEAF WEEDS such as: Chickweed, black medic, cinquefoil, lambsquarter, mustard species, oxalis, pigweed, ragweed species, shepherd's purse, stinkweed, portulaca, round-leaf mallow

PERENNIAL WEEDS such as: Canada thistle, cinquefoil (silvery), common burdock, dandelion, ground ivy (creeping Charlie), plantain, spotted spurge, toadflax, tufted vetch, wild carrot

ANNUAL GRASSES such as: Foxtail species, crabgrass, barnyardgrass, seedling Johnsongrass

PERENNIAL GRASSES such as: Quackgrass, common bermudagrass, ryegrass

FIRST AID

If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage.
 Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
For emergency information, call 1-800-222-1222 (24 hours per day, 7 days per week) for a local poison control center.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER. Corrosive: Causes irreversible eye damage. Do not get in eyes or on clothing. Wear protective eyewear such as goggles, face shield, or safety glasses. Harmful if swallowed, absorbed through the skin, or inhaled. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

For terrestrial use only. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a dry, cool place.

Pesticide Disposal: To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program (often such programs are run by state or local governments or by industry).

Container Disposal (quart, 1 gallon, or 2.5 gallons): Nonrefillable container. Do not reuse or refill this container. **Do not use bleach to rinse container.** Triple rinse (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into the application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling, if available, or puncture or dispose of in a sanitary landfill, or by incineration. Do not burn unless allowed by state and local ordinances.

WARRANTY STATEMENT

SummerSet Products (SummerSet) warrants that this Product conforms to the specifications on this label. To the extent consistent with applicable law, SummerSet makes no other warranties and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for a particular purpose. No agent of SummerSet or any other person is authorized to make any representation or warranty beyond those contained herein.

It is impossible to eliminate all risks associated with this Product. Lack of performance or other unintended consequences may result because of factors such as use of the Product other than in strict accordance with this label's instructions, presence of other materials, the manner of application or other factors, all of which are beyond the control of SummerSet or the seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer.

To the extent consistent with applicable law, SummerSet disclaims any liability whatsoever for special, incidental or consequential damages resulting from the handling or use of this Product and SummerSet's liability under this label shall be limited to the amount of the purchase price or, at the election of SummerSet, the free replacement of the Product.
